## **PUBLIC NOTICE**

### **UNKNOWN OR UNCLAIMED DIRECT BANK DEPOSITS AND REFUNDS**

CENTLEC (SOC) LTD would like to appeal to its customers who paid their electricity accounts via internet or deposited the money at the bank without writing their own electricity account numbers starting with 500... as a reference, to come forward and claim these deposits. Proof of such deposits must be provided so that the correct allocations can be made. Should these deposits not be claimed by 30 June 2026, the unclaimed deposits will be transferred to the general revenue account of the entity and will be utilized for other purposes. To claim your deposit, sufficient proof must be provided.

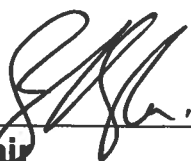

Customers with inactive electricity accounts, with a credit balance, should apply for a refund of their credit balances before 30 June 2026. Documents required for refunds are:

- *Completed refund application form.*
- *ID document, and*
- *Proof of banking details*

Should these refunds not be claimed by 30 June 2026, the unclaimed refunds will be transferred to the general revenue account of the entity and will be utilized for other purposes.
