MEDIA STATEMENT: CENTLEC WELCOME THE EFFORTS BY ESKOM TO KEEP LIGHTS BURNING FOR 18 CONSECUTIVE DAYS.

CENTLEC (SOC) Ltd welcomes the efforts by ESKOM to maintain 18 consecutive days of no loadshedding. This positive development came as a result of the sustained availability of the generation capacity due to an increase in the planned maintenance they have carried out in recent months.

Uninterrupted energy supply goes a long way in improving the socio-economic development of our country and is of utmost importance for any economy to function. As an electricity utility, during these 18 days of no loadshedding, our focus has been more on servicing our constituencies rather than fixing the problems created by loadshedding.

We wish ESKOM to continue and maintain the momentum which will ultimately lead to the end of loadshedding.
