

On behalf of the Board of Directors and the Executive Management team, I would like to take this opportunity to wish all CENTLEC employees, their families, our clients and the Christian community around the world a safe and blessed Easter holidays. Easter is a time for prayer, meditation, restoration, hope and revival. During this time, Christians reflect and remember Jesus Christ's crucifixion and his triumph over sin and death.

As we commemorate Good Friday, let us remember that nothing, not even death, can match the power of faith, hope, and love.

Our dedicated teams of employees will work through the long weekend to ensure a non-interruptive service to all the clients in our area of supply.

I urge all road users including the pedestrians to be considerate, patient and always obey the rules of the road. Our behavior on the roads affects our own safety as well as the safety of every other persons. Drive cautiously, be on the lookout and arrive alive.
