NOTICE OF EXCAVATION WORKS FOR REPLACEMENT OF A STOLEN 11kV CABLE

RE: INFRASTRUCTURE UPGRADE – REPLACEMENT OF STOLEN 11kV CABLE IN HEIDEDAL

Dear Valued Customer,

CENTLEC (SOC) Ltd wishes to inform you that we will be commencing a vital infrastructure upgrade in your area. Starting from 03 November 2025, our teams will commence work to replace a stolen 11kV cable between Frans Puller and Ooswerf Substations in Heidedal.

The following streets will be affected Dr. Belcher Road, Devis Street, Parish Avenue, De Vries Street and Frans Puller Street.

This project forms part of our commitment to improving the reliability and safety of electricity supply across our service footprint. The anticipated **completion date is 15 December 2025**.

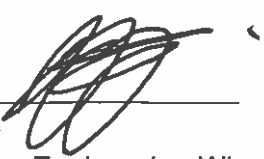

We appreciate your patience and understanding during this period. Our teams will work diligently to minimize disruptions, and any planned outages or access restrictions will be communicated in advance.

Should you have any questions or require further details, please feel free to contact our customer service center.

Thank you for your continued support.

Warm Regards,

CENTLEC Management
